Manage by : Shree Patel Seva Samaj - Atkot

Responsibilities:

1. Policy Development:

- **Create comprehensive anti-ragging policies** in accordance with national regulations and guidelines.
- **Implement strict disciplinary measures** against ragging incidents.
- **Update policies regularly** to address new challenges and feedback.

2. Awareness Campaigns:

- **Conduct orientation programs** for new students to educate them about the anti-ragging policies.
- **Organize seminars, workshops, and interactive sessions** to raise awareness about the consequences of ragging.
- **Develop and distribute informational materials** such as brochures, posters, and online content.
- **Engage student ambassadors** to promote anti-ragging messages.

3. Monitoring and Surveillance:

- **Regular patrols and surveillance** in campus areas prone to ragging incidents.
- **Installation of CCTV cameras** in strategic locations to monitor activities.
- **Anonymous surveys and feedback mechanisms** to identify unreported incidents or areas of concern.

4. Complaint Handling:

- **Establish a helpline and email service** for students to report ragging incidents confidentially.
- **Ensure prompt and sensitive handling** of complaints, maintaining confidentiality.
- **Create a clear complaint process** with timelines for response and resolution.
- **Set up an online complaint portal** for easy access and tracking of complaints.

5. Counseling and Support:

- **Provide counseling services** for victims of ragging.
- **Support mechanisms** for students accused of ragging to ensure fair treatment.

Manage by : Shree Patel Seva Samaj - Atkot

- **Set up peer support groups** for victims to share experiences and receive mutual support.
- **Regular follow-up** with victims to ensure their well-being and integration back into campus life.

6. Collaboration with Authorities:

- **Work closely with local law enforcement** and anti-ragging authorities.
- **Coordinate with senior faculty** and student representatives to enforce anti-ragging measures.
- **Establish a liaison officer** to facilitate communication between the committee and external authorities.

7. Regular Meetings:

Monthly meetings to review anti-ragging measures and policies.

- **Emergency meetings** in response to reported incidents.
- **Annual review meeting** to assess the effectiveness of anti-ragging measures and make necessary adjustments.

8. Reporting and Documentation:

- **Maintain records of all reported incidents** and actions taken.
- **Submit regular reports** to the college administration and relevant authorities.
- **Publish an annual anti-ragging report** to share progress and areas of improvement with the college community.

9. Training Programs:

- **Regular training sessions for faculty and staff** on handling ragging incidents and supporting victims.
- **Develop online training modules** for continuous learning and awareness.
- **Invite external experts** to conduct workshops and training sessions.

10. Student Participation:

- **Involve student representatives** in awareness programs and committee meetings.
- **Encourage student-led initiatives** to promote a ragging-free campus.
- **Establish a student advisory council** to provide input on anti-ragging strategies and policies.

Meeting Schedule:

- **Monthly Meetings:** Regular review and discussion of anti-ragging measures and incident reports.
- **Emergency Meetings:** Convened immediately upon reporting of a ragging incident.
- **Annual Review Meeting:** Comprehensive assessment of the year's activities and planning for the next year.
